Lake Powell, the second-largest reservoir in the U.S. located in Arizona and Utah, is nearing critically low water elevation levels, the latest data shows.

Reservoir operations can get "very complicated" once elevation drops below 3,500 feet and live storage drops below 4.3 million acre-feet, according to Jack Schmidt, director of the Center for Colorado River Studies at Utah State University. At that point, the Bureau of Reclamation would "be seriously concerned," he added.

The reservoir could reach a "dead pool" when its elevation drops to 3,370 feet, at which point water can no longer flow past Glen Canyon Dam by gravity.

In a dead pool, about 240 feet of water would be trapped at the bottom of the canyon, unable to flow to millions of people who rely on it in Arizona, California and Nevada, the Lake Powell Chronicle reported.

Grabe 'to. Around 2018 nung sumikat 'tong ripoff ng Alienware, tapos sobrang nag-trending, na umabot sa maraming subreddit, sa LTT Forums, at pati sa PC Master Race.

🚨 HINDI ITO TOTOO

Opo, wala talagang ganitong nilabas na laptop ang CDR-King (Aliware 17 R4), even during their glory days. Wala kang mahahanap na official product catalog nila na meron nito.

All fun and games, til you realize that the only photo of this urban legend is... this actual photo. No other one around.

Walang official listing, plus walang ibang product photo. Parang "bigfoot" ng mga laptops to haha.

So yeah, hindi talaga to totoo, despite it bringing all the lulz back then (and until now). Pure "uyy pilipins" moment.

💬 Anong product ng CDR-King ang pinakatumagal sa'yo?

Did you know? One Philippine church teaches that God has a Mother, and that its founder, Rufino Magliba, was the "God-sent manifestation of the Holy Spirit" and "Living God and Savior" of the end times.

His portrait shows him crowned in the clouds. Not parody; it is the Crusaders of the Divine Church of Christ Inc.'s own creed, printed plainly for the faithful.

The statement identifies the perpetrator as morally and legally responsible. Yet "Who is responsible?" and "Why does rape occur?" are different questions.
The sentence was designed as a mere slogan. As philosophy or social analysis, it is empty because it merely says that an act occurs because someone performs the act.

Dahil binura mo comment namin ipopost nalang kita Mr. "writer" kuno na b*b0 sa comprehension, tama naman si Ex-VP Leni ah? Kahit sa international speakers and health studies sinasabe yang statement na yan, kase wala naman talagang r*p3 cases kung walang r*p!$t. Baket BIG DEAL sya sa pag-aaral about r@pé cases kahit simple words? Kase yan lang ang tanging rason kung bat may r@p!$t, di dahil sa suot, di dahil sa mukha, at di rin dahil kung pano nya ipresent sarili nya sa public, why? Kase may mga tao tumitingin sa víctíms instead sa gumawa nung krímén, which is very alarming. Kung di mo naintindihan means mahina comprehension mo or kung pano tumatakbo yang 💪🧠, at mukhang need mo bumalik sa grade 2. Ppl thinking it's a d**b statement are l0w míndéd, no morals, no empathy and wéák of understanding of behavior, dapat kase pwede rin ireport sa fb pag t*ńg@ hays 😩🤡. Why do I need to explain it to you? Because you're d**b AF. Imagine posting that before doing any research. Umm what a UP graduate? Usapang Palengke

'[BALDWIN] CONCEIVED, PLANNED, AND ... more

SUMMARY OF RECOMMENDED CRIMINAL AND ADMINISTRATIVE LIABILITIES (DEATHS OF RENE CLERT N. BATERBONIA AND CHUKWUEMEKA DIVINE ADILI — DIPACULAO, AURORA, 08 JUNE 2026)

Principal Elements (Art. 365, RPC): a voluntary act or omission, without malice, causing material damage (two deaths), through an inexcusable lack of precaution judged by the offender's occupation and the circumstances. Reckless Imprudence = manifest, foreseeable danger met with grossly deficient precaution; Simple Negligence = failure of ordinary care by one without actual knowledge of the specific dangerous activity.

CRIMINAL — RECKLESS IMPRUDENCE RESULTING IN TWO (2) COUNTS OF HOMICIDE (coaching staff who planned and conducted the water-resistance run)		
1	**Thomas Anthony "Tab" Baldwin** *Head Coach*	Conceived, planned, and directed the sea drill; chose the open, surf-exposed site; knew a player could not swim yet provided only a verbal rip-current warning - no life vests, lifeguard, or medical/rescue standby - foreseeable peril met with grossly deficient precaution; proximate cause of both deaths.
2	**Ceasar Vincent "CJ" Elumba** *Strength & Conditioning Coach*	As the conditioning coach who designed and led the regimen culminating in the sea drill, instituted no flotation or rescue safeguard against the manifest hazard.
3	**Grant Dearns** *Strength & Conditioning Coach*	Co-designed and conducted the drill; failed to abort or impose safeguards though non-swimmers and sea conditions made drowning foreseeable and preventable.
4	**Reynaldo "Jon" Jacinto, Jr.** *Assistant Coach*	Took part in conducting the sea drill and the ensuing rescue yet required no flotation or rescue capability and did not halt the activity.
5	**Dean Caesar B. Castaño** *Assistant Coach*	Participated in supervising and conducting the drill; omitted the basic safety measures the evident danger demanded.
6	**Sandro Nicholas Soriano** *Assistant Coach*	Among the coaching staff conducting the drill; without adequate rescue means for a known non-swimmer, the want of precaution contributed to the deaths.
7	**Hernan Ameer M. Domingo** *Assistant Coach*	Participated in conducting the activity; shared in the inexcusable omission of flotation, lifeguard, and medical/evacuation standby.
8	**John Eric "Jeric" Rueca** *Physical Therapist*	The first aid/BLS-certified health officer present; a non-swimmer entered open surf with no medical or evacuation standby arranged, and he did not intervene - an omission of the precaution his presence permitted.
CRIMINAL — SIMPLE NEGLIGENCE RESULTING IN TWO (2) COUNTS OF HOMICIDE (supervisory/venue respondents without actual knowledge of the specific drill)		
9	**Emmanuel "Em" Fernandez** *Athletic Director, University Athletics Office*	Carried the institutional, non-delegable duty to promulgate and enforce athlete-safety protocols (CHED MO 63 s.2017; MO 13 s.2026); his own negative certification shows no protocol, approved calendar, medical clearance, or consent existed - a want of ordinary care contributing to the deaths.
10	**Francisco Zubia III y Barangan** *Operating Manager, Hermanos Resort*	Gave a careless favorable-sea assurance drawn from an AI application rather than a competent source, and failed to ensure the resort's lifeguard-accreditation, signage, and warning compliance (Ord. 2025-12).
11	**Frederick Zubia y Barangan** *Co-Manager, Hermanos Resort*	Shared the operational duty to maintain beach-safety measures and regulate guest access to the sea and failed to do so; lacking knowledge of the specific drill, the omission is simple negligence.
12	**Yedda Mary M. Rubio** *Co-Manager, Hermanos Resort*	Handled the booking and shared resort management and its safety duty; the same failure of ordinary care contributed to the fatal outcome.
ADMINISTRATIVE — REFERRED TO DILG		
•	**Responsible officials, Municipality of Dipaculao, Aurora** — BPLO Officer, Municipal Tourism & Cultural Development Officer, and MDRRMO Head	Regulatory accountability for permitting a non-Tourism-accredited establishment and for non-enforcement of Ordinance No. 2025-12 and HPCG/CG MC No. 03-14 (Standard Operating Procedure, Resort Safety Inspection, Lifeguard Safety, etc.)

The National Bureau of Investigation (NBI) released on Monday a summary of recommended criminal and administrative liabilities against the people involved in the deaths of Ateneo student-athletes Rene Baterbonia and Divine Adili.

Resigned Ateneo coach Tab Baldwin is recommended to face charges of reckless imprudence resulting in two counts of homicide.

Wala pang plano si Defense Secretary Gilberto Teodoro Jr. na tumakbo sa pagkapangulo sa 2028 elections dahil nakatutok umano ang kaniyang buong atensyon sa pamumuno sa sektor ng depensa ng bansa.

Ayon kay Teodoro, hindi makabubuti na isipin muna ang politika habang marami siyang responsibilidad sa Department of National Defense (DND), Armed Forces of the Philippines (AFP), at iba pang katuwang ng gobyerno.

Aniya, mas mahalagang pagtuunan ng pansin ang kanyang trabaho at ang pagpapalakas ng depensa ng Pilipinas.

Dagdag pa ng kalihim na darating ang tamang panahon para sa mga usaping pulitikal.

MALAYBALAY, Bukidnon — An indigenous young farmer is being recognized for his quick thinking after rescuing an endangered Philippine Eagle from an attack by a pack of more than 30 monkeys in a forested area here.

The 21-year-old Marvin Linoy was gathering passion fruit when he heard unusual noises from the brush. Upon investigating, he discovered the monkeys aggressively attacking the national bird, which was pinned to the ground, trembling and covered in soil.

Linoy dispersed the aggressive monkeys by mimicking a barking dog. To stabilize the highly stressed raptor, he used anunutong fern leaves to cover its eyes and wrapped his jacket around its body before securing assistance from the Inhandig Tribal Multi-Purpose Cooperative (ITMPC).

Cooperative officials coordinated with environmental authorities to safely transfer the eagle to the Department of Environment and Natural Resources (DENR) for medical treatment and rehabilitation.

Cooperative officials coordinated with environmental authorities to safely transfer the eagle to the Department of Environment and Natural Resources (DENR) for medical treatment and rehabilitation.

Following the rescue, ITMPC Manager Merly Omarol Suday defended Linoy and the tribal team against online critics who questioned their handling of the protected species, warning that public condemnation could deter future wildlife rescues.

"Matagam gyud kung ing-ani ang resulta—ikaw na gani ang nitabang, ikaw pa ang mahimong sayop," Suday said.

("People will learn to hesitate if this is the result—you are the one helping, yet you are made out to be wrong.")

Local conservationists and cooperative members praised Linoy's refusal to abandon the bird, noting his actions directly prevented a fatal mauling.

The story quickly gained traction on social media, where thousands of netizens praised Linoy's courage and hailed him as a true hero.

GUSTONG BUWAGIN ANG ICC?

Naglunsad ng hakbang ang administrasyon ni U.S. Pres. Donald Trump para buwagin ang International Criminal Court (ICC).

Ayon kay U.S. Secretary of State Marco Rubio, kabilang sa mga hakbang na posibleng ilunsad ang travel bans, visa revocation, dagdag na sanctions laban sa ICC at affiliated organizations, at diplomatic pressure sa mga bansa para kumalas sa ICC.

"We will watch with interest which nations join ranks with us against this threat to Americans who are willing to risk their lives to protect others," saad ng opisyal. | via Reuters

PHILIPPINE EAGLE INATAKE NG MAHIGIT 30 UNGGOY

Nailigtas ang isang Philippine eagle matapos atakehin ng mahigit 30 unggoy sa Bukidnon.

Ayon sa katutubong Lumad na nagligtas sa agila, namimitas lamang siya ng prutas sa bundok nang makarinig ng malalakas na ingay mula sa kagubatan at doon na niya nakita ang pag-atake ng mga unggoy.

Nasa pangangalaga ng ng DENR ang agila para sa agarang medikal na pagsusuri at rehabilitasyon. | via Ronilo Dagos

Una sa kasaysayan ng Saint James the Greater Parish of Dapitan City ang kasalan ng isang transman at isang transwoman noong July 4, 2026.

Larawan ng masayang magkarelasyon sina Tisha Marie Amal, isang transman, at Ronnie Enderez, isang transwoman.

Paliwanag ni Ronnie, dumaan sila sa normal na proseso ng pagpaparehistro at pagdalo sa seminar ng lokal na pamahalaan bago ang kanilang kasal. Wala naman aniyang naging problema sa pamunuan ng simbahan pero pinakiusapan lang sila na si Tisha ang magsusuot ng gown at si Ronnie ang nakabarong.

Hindi naman nagdalawang-isip sina Ronnie at Tisha sa kahilingan ng simbahan. Dagdag pa ni Ronnie, gusto din niyang makita si Tisha na nakasuot ng gown kaya natuwa siya na nakitang naka-wedding gown ang asawa nang lumakad papunta sa altar.

Pagtatapat naman ni Tisha, pangarap nilang maikasal sa simbahan kaya masaya siyang natupad ito. Sanay na rin aniya siya na transwoman ang karelasyon dahil ang mga katulad din ni Ronnie ang nakarelasyon sa nakaraan. Sabik na rin silang d

nakaraan. Sabik na rin silang dalawa na magkaroon ng sarili nilang anak, dagdag pa ni Tisha.

Si Rev. Msgr. John Warren B. Maratas, parochial vicar, ang nagkasal kina Tisha at Ronnie. Sa kaniyang homilya ay idiniin ni Maratas ang katagang "love knows no boundaries."

"While the Catholic Church continues to uphold its teachings on marriage, it also urges the faithful to treat everyone with dignity, compassion, and respect. As the familiar phrase goes, love wins, it means by not erasing differences or pretending they do not exist, but by embracing them with kindness, understanding, and patience," sabi pa sa Facebook post ng simbahan. Some interviews stay with you long after the cameras stop rolling.

Last year, while he was filming in the Philippines, Sir Sam Neill took into consideration our location and the traffic, and graciously welcomed our team into his hotel suite for everyones convenience.

He was warm, accommodating, full of wisdom, and incredibly generous with his time.

Thank you for your kindness, your grace, and for sharing your stories with the world and with us. Encounters like ours are a reminder that the greatest stars are often the kindest.

Rest peacefully, Sir Sam. It was truly an honor.

PANELO SA KAMPANYA NG U.S. VS. ICC

Suportado ni dating presidential spokesperson Atty. Salvador Panelo ang mga planong hakbang ng Trump administration para umano buwagin ang International Criminal Court (ICC).

“The illegal and unforgivable incarceration of former President Rodrigo Roa Duterte, intruding into our country’s sovereignty with the cooperation of the Marcos, Jr.’s administration, is a classic example of ICC’s unlawful intrusion to countries who are not members thereof,” saad ni Panelo.

“The ICC by its intrusive and illegal actions against non-members must be stopped at all costs,” dagdag pa niya.

Kapag ang Lider ay Nagsasabing “Patayin,” Nakikinig ang mga Bata

Sa loob ng tahanan, pinapagalitan natin ang batang nagsasabing “papatayin kita.” Tinuturuan natin siyang humingi ng tawad, magpigil ng galit, at dumaan sa tamang proseso ng pakikipag-ayos.

Pero kapag ang isang makapangyarihang lider tulad ni Duterte ang nagsabi nito sa harap ng kamera, biglang may dumarating na hukbo ng mga abogado at tagasuporta upang ipaliwanag na ito ay biro lamang, bugso ng damdamin, “conditional,” o isang teknikalidad ng wika.

Ano ang aral na iniiwan nito sa lipunan?

Bawal maging bastos—maliban kung mataas ang posisyon mo. Bawal manakot—maliban kung may milyon-milyon kang boto. Igalang ang batas—pero kapag hahabulin ka na nito, hanapan mo ng butas, insultuhin ang proseso, at magpanggap na ikaw pa ang biktima.

Lumalalim ang sugat na ito kapag nakikita ng kabataan ang doble-karang mukha ng katarungan sa ating bansa.

Kapag ang karaniwang mamamayan, ang maralitang lungsod, o ang simpleng tindero ang nagbitiw ng masamang salita, mabilis ang posas at kulong sa ilalim ng mga kasong inciting to sedition o unjust vexation.

Walang "conditional," walang context, at walang abogadong magpapaliwanag para sa kanila. Ngunit kapag ang nasa kapangyarihan ang nagbanta ng buhay, ang buong makinarya ng gobyerno at batasan ay nagiging tagapagtanggol.

Sa mata ng masa at ng mga bata, malinaw ang mensahe: ang batas ay hindi timbangan ng katarungan, kundi sandata ng malakas laban sa mahina—kamay na bakal sa mahirap, pero lambing at palusot sa mayaman.

Ganyan ang ipinapamanang kulturang politikal ng ganitong uri ng pamumuno: ang kabastusan bilang katapangan, ang karahasan bilang lakas, at ang pag-iwas sa pananagutan bilang talino.

Kapag may kritiko, murahin. Kapag may kalaban, takutin. Kapag may kasong kinakaharap, atakihin ang korte, ang Senado, ang mga saksi, at kahit sino—lahat maliban sa sariling asal. At sa gitna ng ganitong ingay, nakikinig ang mga bata.

Hindi naman awtomatikong hahawak ng patalim o magiging marahas ang isang batang nakarinig ng banta. Ang mas peligrosong epekto nito ay ang pagkamanhid ng moralidad (moral desensitization).

Pinatutunayan ng agham ng sosyolohiya at sikolohiya na natututo ang kabataan hindi lang sa kung ano ang sinasabi sa kanila, kundi sa pagmamasid kung sino ang pinapalakpakan, ginagantimpalaan, at ipinagtatanggol ng lipunan.

Kapag taon-taong ipinagbubunyi ang pagpatay at ginagawang katatawanan ang due process, unti-unting nabubura ang hiya sa karahasan. Ang dating nakakagimbal, nagiging “normal lang.” Ang dating mali, nagiging “deserve naman.”

Sa henerasyon kung saan ang pagtapak sa dignidad ay binibigyan ng kapangyarihan, natututo ang mga bata na kabisaduhin ang wika ng pagbaluktot.

Natututo silang mag-mental gymnastics para ipagtanggol ang mali, dahil nakikita nilang ang dahas at pananakot ang pinakamabilis na shortcut sa tagumpay at proteksyon.

Ito ang pinakadelikadong pamana: isang henerasyong marunong maghanap ng palusot bago matutong humingi ng tawad; marunong manghamak bago makipag-usap; at naniniwalang ang batas ay para sa mahihina at walang apelyido.

Ganito ang inihayag ni Sen. Robin Padilla sa kanyang recent Facebook post.

“Puro credential at taas ng pinag-aralan ang argumento ng mga hambog. Saan ba dinala ng kahambogan niyo ang Pilipinas?” wika niya.

“Sa sobrang taas ng pinag-aralan niyo lumubog na tayo sa kahirapan, baha, utang at maruming politika kaya ang nagsiyaman ay kayo at ang mga Amo ninyong oligarko!” saad ng senador.

MY FAITH NEWS | CBCP discourages pilgrimages to alleged apparition site in Naju.

The Catholic Bishops' Conference of the Philippines (CBCP) has urged Filipino Catholics to refrain from organizing or participating in pilgrimages to Naju, South Korea, reaffirming the Catholic Church's longstanding negative judgment on the alleged Marian apparitions and Eucharistic phenomena associated with Julia Kim.

In a pastoral guidance dated July 13, CBCP President Archbishop Gilbert A. Garcera said the Archdiocese of Gwangju—where Naju is located—in communion with the Dicastery for the Doctrine of the Faith, has determined that the alleged events are "not approved as supernatural." The bishops said Catholics should adhere to the Church's discernment and remain in full communion with its teaching authority.

The bishops outlined four pastoral directives: remain in full communion with the Church and its Magisterium; exercise prudence in discerning private revelations, particularly when competent ecclesiastical authority has issued a negative judgment; deepen Eucharistic devotion through the Holy Mass, Eucharistic Adoration, prayer, and works of charity rather than unverified claims; and reject division and sensationalism, emphasizing that authentic spirituality is marked by humility, obedience, and unity.

2026-07-14 13:50:04

The CBCP also appealed to diocesan pilgrimage organizers, parish leaders, travel agencies, and devotees to refrain from organizing, promoting, or participating in pilgrimages to Naju. Instead, the bishops encouraged the faithful to visit approved Marian shrines in the Philippines and around the world, where Marian devotion is fostered in full communion with the Church.

The statement concluded by urging Catholics to remain rooted in the Eucharist, Sacred Scripture, Tradition, and the Magisterium, avoiding confusion caused by unapproved phenomena and walking instead in obedience, humility, and unity within the Body of Christ.

Sara Duterte: Yes, huwag kang mag-alala ma'am, sa security ko kasi may kinausap na ako na tao, sinabi ko sa kanya, kapag pinatay ako, patayin mo si BBM, Si Liza Araneta at si Martin Romualdez, no joke. No joke. Nag-bilin na ako ma'am, pag namatay ako, sabi ko huwag ka tumigil hanggang hindi mo mapatay sila. And then he said yes. So alam mo ma'am, yan ang lagi kong sinasabi sa Makabayan, noong Mayor pa ako, ang laban wala dyan sa Edsa ma'am, wala dyan sa mga highway. Ang laban ma'am nandun sa loob ng Palasyo. Are you aware that the vice president is a lawyer? That, of course, she has a law degree and passed the Bar exams? With a first attempt and with a rating of 80 percent. Are you aware of this?
Yes, sir... I heard it in the news, sir.
She has a higher grade than most of the lawyers here.
Counsel for the respondent, kindly avoid those disparaging statements given that there are a lot of lawyers here and you don’t know what their grades are.

A SALUTE TO MGEN. MICHAEL G. SAMSON

Although our time working together was brief, I am grateful for the opportunity to learn from MGen. Michael G. Samson, particularly on the importance of strong civil-military partnerships in preserving peace and order. In every interaction, I witnessed his humility, professionalism, and deep sense of duty to our nation.

As Vice Governor, I value the strong partnership between the Provincial Government of Iloilo and the Armed Forces of the Philippines. It was therefore fitting that the 15th Sangguniang Panlalawigan of Iloilo, through a Resolution of Commendation sponsored by Board Member Rolando "Rolly" B. Distura, recognized MGen. Samson's invaluable contributions to peace, security, and development in Western Visayas. From his time as Commander of the 301st Infantry Brigade in Dingle to leading the Third Infantry (Spearhead) Division, he has been a trusted partner of the Province of Iloilo.

As he prepares to retire tomorrow after more than three decades of military service, I extend my sincere gratitude for his leadership and dedication. To MGen. Samson and to all the brave men and women of the Armed Forces of

VP Sara Duterte issues statement to say that "the complaint is not supported by evidence.

"The rule of law depends on facts, not fiction," she said. #VPOnTrial | via Jervis Manahan, ABS-CBN News

STATEMENT

Mga kababayan,

On Day 4 of the impeachment trial, the country witnessed what I have been saying all along: the complaint is not supported by evidence.

Repeatedly claiming that there were threats when none existed, inventing an assassin where there was none, and fabricating evidence to support those claims does not transform fiction into fact. Instead, such actions undermine the integrity of public institutions, erode public trust, waste public resources, and corrupt the search for truth.

An impeachment proceeding should be grounded in credible evidence, not speculation, manufactured narratives, or unsupported allegations. The rule of law depends on facts, not fiction.

Thank you.

Sana sa susunod na edition ng Pinoy Big Brother ABS-CBN ay sabayan mapapanood ito sa Kapamilya platforms kagaya ng ALLTV2 at A2Z hindi lang sa GMA, matatawag bang collab yan kung sa iisang Free to air channel lang napapanood.

tska isa pa bagong Bahay na ito kaya mas maganda kung mapapanood ito ng mga Kapamilya viewers. hindi lang Kapuso viewers ang makikinabang.

Hi guys. I'm having kind of a rough night. I have severe OCD, I'm spiraling and it's late. I'm spiraling over my morals. And I could use some support. I know who I am and what I stand for but my brain is questioning all of it. Someone on one of my pages I have made for mental and chronic health awareness as well as human rights awareness has talked about how bad Taylor is and how I'm bad for listening to her music and supporting her. I still love her so much and won't stop listening to her for comfort and support. I'm just looking for support and Taylor songs that get you through hard mental spots.

#LATEST: Saudi Arabian Oil Company (Aramco), the world's largest oil producer, is set to open its first branded gasoline station in the Philippines this month.

"From Saudi Arabia to Pakistan to Chile, and now, the Philippines. A legacy of progress and global innovation is making its way to your roads," the company said.

The global oil giant acquired a 25% equity stake in Unioil Petroleum Philippines, Inc (UPPI) and committed approximately P4 billion to fund the expansion of its local network.**#IMTNEWS**

FLOOD MITIGATION PROJECT SA MOHON, AREVALO, NAG-USMOD KAG NAKITAAN SANG LITIK; MGA RESIDENTE, NAGAREKLAMO BANGUD NAGTUGA INI SANG PAGBAHA

Sa baylo nga kasulhay, perwisyo sa guihapon ang gindulot sa mga pumuluyo sang isa ka flood mitigation project sa Brgy. Mohon, Arevalo, Iloilo.

Naglapaw ang tubig sa Iloilo River kag ginsudlan sang tubig baha ang mga kabalayan sang naglaslas ang Hangin Habagat sini nga weekend.

Sa interview sang Bombo Radyo Iloilo kay alyas "Nene", residente sang barangay, ila na naandan nga naga-awas ang suba sa ti-on sang mamunog nga pag-ulan.

Suno sa iya, nakabulig bisan papaano ang nasambit nga proyekto bangud sadto, nagapalanglapaw pa sa ila mga kabalayan ang pag-awas sang tubig. Kumpara subong, asta na lang sa tuhod ang tubig baha kag kun kaisa, indi na nila kinahanglan magkadto sa mga evacuation center.

Jul 14, 2026 16:49:14

Apang sa pihak sina, dismayado sila guihapon

Apang sa pihak sina, dismayado sila guihapon bangud ang ginapaabot kuntani nila nga benepisyo sang proyekto para malikawan ang komunidad sa baha, wala matigayon.

Madugay pa kun kis-a maghubas ang tubig baha kag nagapabilin pa ang tubig sa mga panimalay antes ini mag-subside.

Ginapangabay man kuntani nila sa DPWH nga kay-uhon na ang nasambit nga flood control project apang nahibalu-an nila nga dugang nga perwisyo kag peligro ang dulot sini kun liwat nga tiltigon ang proyekto para kay-uhon.

Madumduman nga gintukod sang Department of Public Works and Highways kag Iloilo City District Engineer's Office ang nasambit nga flood mitigation project. Ginalakipan man sang sini nga proyekto ang isa ka bike lane kag esplanade nga nagpakitid sang suba.

Ang nasambit nga proyekto nga nagalakip sang 300 metros ang nagabalor sang P90,029,717.93. Ang nagpatuman sang sini nga proyekto ang St. Gerard Construction General Contractor and Development Corporation nga ginapang-iyahan snag kontrobersyal nga contractor nga si Sarah Discaya.

NAMATAY DAHIL SA SEPTIC SHOCK?

🚨 Kababalita lang ang pagkamatay ng isang Grade 4 student matapos ang routine deworming activity sa paaralan. According sa initial medical reports, SEPTIC SHOCK daw ang dahilan.

🚨 Ang SEPTIC SHOCK ay ang pinakamalalang stage ng sepsis kung saan nagrerelease ng mga chemicals ang katawan upang labanan ang matinding impeksyon.

🚨 Ang mga chemicals na ito ay nagdudulot ng MATINDING INFLAMMATION. While namamatay ang mga mikrobyo, nagdudulot din ito ng PAGBAGSAK NG BLOOD PRESSURE at ORGAN FAILURE.

🚨 HINDI NAGDUDULOT NG SEPTIC SHOCK ANG DEWORMING MEDICATION.

🚨 Any infection ay maaaring magdulot ng septic shock kung mapabayaan. Yung simpleng UTI, PNEUMONIA, SKIN INFECTION atbp ay pwedeng magdulot ng SEPSIS at SEPTIC SHOCK pag napabayaan.

🚨 Kailangan bigyan ng ANTIBIOTICS para mapatay ang mikrobyo at suportahan ang blood

Gigil ako dito so ano kaya ang ibig sabihin niya dito? Porket lawyer ka untouchable ka? At pde ka na magbanta?

PHILIPPINE STAR
Are you aware that the vice president is a lawyer? That, of course, she has a law degree and passed the Bar exams? With a first attempt and with a rating of 80 percent. Are you aware of this?
Yes, sir... I heard it in the news, sir.
She has a higher grade than most of the lawyers here.
Counsel for the respondent, kindly avoid those disparaging statements given that there are a lot of lawyers here and you don't know what their grades are.

Find anything

anyone looking from the outside will call me crazy. My husband came home from his company's luncheon radiant—it was an employees-only lunch, and he was drawn as the winner of a super premium skincare and makeup kit, expensive and complete, you know? The kind of treat any woman would love to get. But what did he do? He simply looked to the side and HANDED the entire prize over to a female coworker. It didn't stop there.
